

MS

<What is MS ?>

- The formal name is **Morning Study**, but we call it “**MS**” for short.
- We do it for five minutes in the morning.
- Everyone studies hard before MS.

<First graders and Second graders>

- **Tuesday** : English ... questions are from **YUMETAN**.
- **Wednesday** : Japanese ... questions are from **KANJI**.
- **Thursday** : Math ... questions are from **TEXTBOOK**.

<Third graders>

- Measure for English proficiency.
- Practice writing beautiful characters.
Everyone concentrates on their studies.

-
- Each subject has a passing line.
 - Students who do not meet the passing grade will have to take a makeup exam on Friday.

We do not think other schools might do MS.
Akebi is blessed with such a good study environment.
