OPENING AND CLOSING

The opening and closing ceremony at AKEBI is very lively!
The opening ceremony builds anticipation for the school festival. The theme is announced and the instrumental music club performs the theme music.
The closing ceremony is when the results of the AWF, HR performance, chorus contest and stained glass are announced, so the ceremony is always flooded with tears.

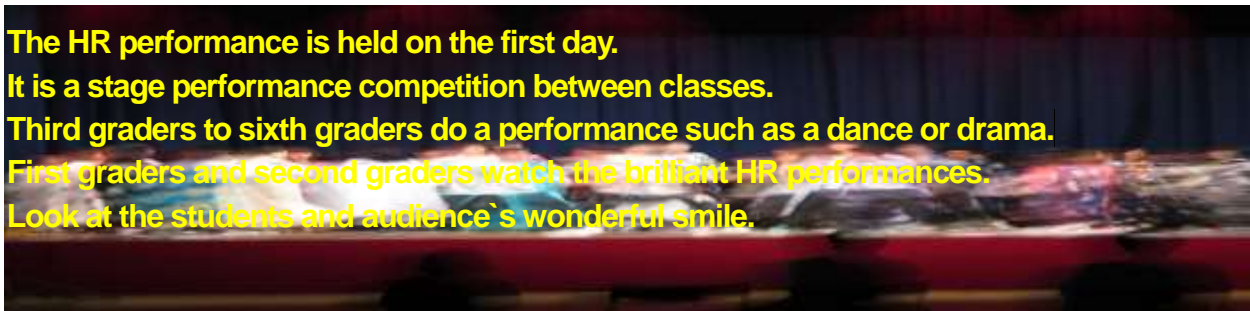

CHORUS CONTEST

The Akebi chorus contest is held on the first day.
It is high quality because we practice hard and do our best. We practice even in the morning.
The chorus club seniors teach us their vocal exercises.
You should come and see the Akebi's chorus contest! You will be excited!

HR PERFORMANCE

The HR performance is held on the first day.
It is a stage performance competition between classes.
Third graders to sixth graders do a performance such as a dance or drama.
First graders and second graders watch the brilliant HR performances.
Look at the students and audience's wonderful smile.

AWF

『AWF』 is the acronym for Akebi World Fair.
It is held by the 4th, 5th and 6th graders.
It is a kind of competition in which we decorate our classroom.
Its attraction and its delicious food are especially popular with all age groups.
The best part of festival is AWF!!!!
